

Addendum to the Project Contract for

Project Title: GTM Comprehensive Medical and Rehabilitation Project

Project Number: 10142 (In Navision: 4081-MYP)

Project period extension for 15 months with additional funding

With this 'Addendum to the Project Contract' for the above-mentioned project, we kindly inform you that your request for the project period extension for 15 months with additional funding was approved by the Donor.

With this extension, the earlier end date of the project is replaced by the new end date: 31 March 2025. All other terms of the Project Contract signed on 16 March 2021 are still valid.

Additional funds of ETB 2,935,335.02 will be provided for the extension period to strengthen the impact of activities started in 2021 as detailed in the project planning (The additional fund is re-allocated from P10140).

This amendment is valid from 01 November 2024 onwards.
