

# CBM Programmatic Project Approval Form - v 02.00 June 2020

## III. Intra-year Allocation (IYA) adding to above approved project

<b>Project title:</b>	Prevention of Childhood Hearing Impairment through Enhancing and Strengthening the ENT Services in Zimbabwe		
<b>Name of Partner:</b>	WizEar Trust		
<b>Country:</b>	Zimbabwe	<b>Timeframe:</b>	1 July 2020 – 30 June 2023

### List of additional results and activities to be added to above approved project:

Result(s)	Description	Indicator	Target
1 Improved access to quality ENT, Audiology and Speech Therapy Services in Harare	Construction of a dedicated paediatric theatre and day care at Harare Children's Hospital	Access to and quality of ENT, audiology and speech therapy services in Harare are improved	
Activities		Costs (EUR)	Funded
Construction of a dedicated paediatric theatre and day care at Harare Children's Hospital	Description of activity	143.863	BMZ/CBM

### Please give a brief rational for the additional activities:

Hospital administration changed plans from refurbishment to construction which led to the changes in the project design. BMZ has agreed to fund additional resources for the construction. CBM has committed to raising the balance based on the contract.
